In the event of a large earthquake affecting the Library Building or a Tsunami Evacuation Warning for Suva

You must immediately evacuate the library building and move as fast as you can towards Blue 1 Tsunami Evacuation Site located between 10th hall and 11th halls

You will need to walk Sunderland North Drive towards the Cafeteria Building than upwards the footpath past the Maniappa Building towards 10th halls located at the Hill at the end of the footpath

Remain at the Blue 1 Tsunami Evacuation Site until the ALL CLEAR is given by USP Emergency Workers and / or Radio Fiji Declaration of ALL CLEAR by Fiji DISMAC.
