Dear Farish,

USP is Non-profit organization as there income is exempt as per part 7 (2) of exempt income regulation 2015. Thus, as per section 115 of ITA 2015, a person is not liable to withhold tax from an amount that is an exempt income of recipient.

I hope this suffices.

Thanks

Hi Radhika, Jaynesh,

Following up on your advice on blanket tax clearance.

Also we are not able to apply PT COE online as I cannot see any option for this under certificates – please refer completed form attached.

Appreciate your advice.

Regards
Farish
