

# Updating Zoom Application

1. If you don't have Zoom installed, you can download the application from the Zoom Download Site - <https://zoom.us/support/download>
2. For Android and Apple Smartphones, please ensure you update your applications for the latest application updates.
3. For Windows Users, if Zoom is already installed on your desktop, open the Zoom Application via the icon on your desktop.

4. Select your profile which should be visible on the upper left corner of the application window and select "Check for Updates".

5. When prompted, please upgrade the Zoom client which is critical to receiving security updates.
6. If you should face any issues, please contact our support team for assistance on [helpdesk@usp.ac.fj](mailto:helpdesk@usp.ac.fj)
