

**USP Pacific European Union Marine Partnership Programme #PEUMP scholarship
CALL FOR APPLICATIONS: CERTIFICATE IV IN RESILIENCE (Climate Change Adaptation and Disaster Risk
Reduction/ CCA & DRR)**

The University of the South Pacific Pacific-European Union Marine Partnership Programme (PEUMP) based at the Institute of Marine Resources (IMR) with USP Pacific TAFE is pleased to invite applications from interested personnel involved in climate change adaptation and disaster risk reduction with emphasis on coastal and marine fisheries in the Pacific ACP countries for the Certificate IV in Resilience (Climate Change Adaptation and Disaster Risk Reduction) Programme.

This programme is to be offered on a cohort basis for 20 weeks from March 15 to July 31, 2021.

DESCRIPTION

This programme reflects the attributes required by individuals to continue to engage in the workforce and/or to assist, coordinate and lead teams at community and national level. The skills sets derived from the units of competencies prepares individuals in identifying work, health and safety (WHS) hazards, performing risk assessments at work sites, project planning and implementation, undertaking costs and benefit analysis for projects and understanding the institutional frameworks set in place at all levels. It also provides a pathway to undertake roles that will assist in creating awareness and decision making processes related to vulnerability, climate change adaptation, mitigation and disaster risk reduction with focus in the marine and fisheries area.

CAREER OPPORTUNITIES

Job roles and titles vary across different industry sectors. Possible job titles relevant to this qualification include: Climate Change Advisor, In-country Coordinator, Project Coordinator, Climate Change Policy Advisor and; Consultant on Climate Change and Resilience.

ELIGIBILITY AND ADMISSION REQUIREMENTS

- (i) Pass in Senate recognised Year 12 with English and a minimum of two years of relevant work experience; or
- (ii) Met the mature student admission criteria;
- (iii) Completion of Certificate III in Resilience: or
- (iv) Any special case where the above requirements are not met can be approved by the Director or nominee on a case by case basis
