

Graduate Outcome: Professionalism

Graduates will demonstrate the ability to carry out tasks to acceptable standards¹ within their profession and occupations.

Criteria	Benchmark	Milestone	Capstone
Professional Practice <i>Recognition of the roles and responsibilities of the profession and occupation</i>	Identifies relevant information, approaches and procedures to complete tasks to the required standards in a particular field.	Applies information, approaches and procedures to complete tasks to the required standards in a particular field.	Evaluates information, approaches and procedures to complete tasks to the required standards in a particular field.

¹ 'Acceptable standard' refers to standards established by the experts in the field of study, discipline and/or profession.
